I'm Standing On This Highway / I'm Lookin For a Ride
Please My Lord Why If You Will
Won't You Give Me Ride Back To My Home
I Wanna To Be There In the Morning Time

Before the Morning Sun Does Rise / I Wanna Be Back Home / Once More

I Left My Home / I Left It Far Behind
I Set Out To Find the Right Way For My Mind
I've Been Here and There I've Been Most Every Where
I've Gotta Lotta Stories That I Would Love To Share

Before the Morning Sun Does Rise / I Wanna Be Back Home / Once More

I'm Standing Right Here / On this Lonesome Country Road
I'm Lookin Out To the Land Where I Wanna Go
I Wanna Be There In the Morning Time
Livin and Lovin With All the Friends That Are Mine

Before the Morning Sun Does Rise / I Wanna Be Back Home / Once More

Today Must Be / My Lucky Lucky Day
Angel of My Jesus He Just Happened To Pass My Way
I Stuck Out My Thumb I Asked Him For a Ride To Bum
Now He's Takin Me Home To the One's That I Love

Before the Morning Sun Does Rise / I Gonna Be Back Home / Forever More

Before the Morning Sun Does Rise / I Gonna Be Back Home / Forever More
